DU to start course in cyber security and law from 2018

Delhi University (DU) will soon be launching a post graduate

**D**elhi University (DU) will soon be launching a post graduate diploma in Cyber Security and Law.

## RELATED

This Swachh India campaign will educate school teachers, principals about hygiene, sanitation

This IIT Kharagpur professor just discovered negative mass particles: Electrons aren't the lightest particles anymore!

JNU to start special centre for Sanskrit studies along with engineering and management courses

According to reports, the programme caters to the niche domain of cyber security with a unique combination of cyber laws.

## COURSE DETAILS:

- The course is likely to start from February next year and classes will commence from March
- The course will be held in two semesters will six papers in each

## MORE ON THE REPORT:

The programme intends to produce professionals who can administer security for varied virtual platforms, banks, social media, industrial applications, mobile data and cloud interface. This course will be offered by the Department of Operational Research, Department of Computer Science, and Department of Commerce.

Meanwhile, as per latest news report, Delhi University's central library has put out a notice stating that the students from the School of Open Learning (SOL) will not be allowed to use the central library located at the Arts faculty in north campus.

## A CASE OF DISCRIMINATION AGAINST SOL STUDENTS:

Good news!  
Written test will  
be held for those  
students whose  
engineering  
degrees were  
suspended

The notice has infuriated over 2 lakh students enrolled under the distance mode, who said it is a case of "discrimination." The students started to believe they are being discriminated against by the university when they saw the notice, recently stuck on the library door, which read -- "SOL not allowed". It lacked the any signature of the authority issuing the order.

## **ABOUT DELHI UNIVERSITY:**

The University of Delhi is the premier university of the country and is known for its high standards in teaching and research and attracts eminent scholars to its faculty. It was established in 1922 as a unitary, teaching and residential university by an Act of the then Central Legislative Assembly. The President of India is the Visitor, the Vice President is the Chancellor and the Chief Justice of the Supreme Court of India is the Pro-Chancellor of the University.

Ever since its inception, a strong commitment to excellence in teaching and research has made the University of Delhi a role-model and path-setter for other universities in the country. Its rich academic tradition has always attracted the most talented students who later on went on to make important contributions to their society.
