# Delhi University to introduce PG diploma course in Cyber Security

Published: December 05, 2017

Delhi University will soon launch a year-long post-graduate diploma in cyber security to nurture skilled professionals in cyber security, law and research. It has received approvals from statutory bodies to begin the course.

In a statement, the Delhi University has stated: “The University of Delhi with approval of statutory bodies is shortly launching one year post-graduate diploma in Cyber Security and Law. The programme caters to the domain of **cyber security** with a unique combination of cyber laws.”

With this initiative, the university aims to create professionals in the domain of cyber security and to cater the needs of industry.
